BAROU ÉQUIPEMENTS

French manufacturer of forklift attachments such as forks, cranes, booms, positioners, sideshifters, buckets, single-double pallet handlers, weighing systems, for heavy capacity and special attachments. We work with a dealer network throughout France and in some European countries. Our job is to meet the demand of our customers by offering a range of equipments suited to their needs with a local service. We specialize in difficult environments (quality, safety, reliability). BAROU EQUIPEMENTS is located in the south of LYON, France and was founded in the 70's. We have 120 employees, a production facility of 11.000 m² with modern and efficient production means.
